Private Transfer to domestic Airport, flight to Mar del Plata "Atlantic Cost"

Welcome and transfer to Hotel - Day to enjoy Mar del Plata city and beaches.

It is the most important beach resort in Argentina, and offers a coastline of more than 17 kilometres with beaches and services according to their hierarchy. It is a modern city in which you can see both sophisticated and popular beaches, modern building conglomerates and residential areas, a busy night life and reflection and peaceful zones.

The presence of sierras and water mirrors in the proximity of Mar del Plata, offers the tourist the possibility of practising numerous activities related to adventure tourism.

Thematic parks, aquariums, ecologic farms, sea and air trips and embarked fishing excursions are some of the alternatives present all the year long.

Mar del Plata offers the visitor an excellent commercial proposal through its commercial shop centres, shoppings, cafeterias, discotheques, casinos and the most complete hotel and gastronomy services according your preferences and budgets.

 Breakfast at Hotel - **Golf Round at "Mar del Plata Golf Club"**

Rest of the day free to enjoy Mar del Plata Beaches and Night life

It is placed near the port of the city a few miles from the center of Mar del Plata . The course spreads over what many years ago were dunes with deep waves that were taken advantage in its design to have sloping fairways over the hillside. It is relatively short, it looks easy, but the abundant rough, the speed, the difficulty to visualize the greenfall and the changing winds transform this apparent easiness into a permanent challenge.

Breakfast at Hotel - **Golf Round at "Sierras de los Padres Golf Club"**

Sierra de los Padres Golf Club is in the outskirts of Mar del Plata. Its first golf professional was Roberto De Vicenio. Its golf course is at the bottom of the hills. It has 18 holes and its run is of 5915 meters and a 74 par for ladies and 71 form men. The course has a wonderful view thanks to the characteristic vegetation of the place and the fauna settled in the area.
